TRANSPARENCY
YOU CAN VISIT THE SITE & WATCH YOUR WASTE GET RECYCLED WHILST HAVING A COFFEE! WHERE ELSE CAN YOU DO THAT?

WHAT CAN YOU PUT IN YOUR RECYCLING BOX?

Our innovative recycling processes allow us to accept all types of plastic, despite what the labelling may say. We accept plastic items with metal elements, degraded plastics from litter picks and food packaging with residues left behind. As long as the items are not toxic or dangerous to our operations and staff, we will most likely accept them.

RECYCLING BINS & PALLET BOXES

Our recycling bins are made from 100% recycled plastic collected from beach cleans, manufacturing waste and take-back schemes. Available with or without sanitiser units.

Our pallet box scheme is designed for businesses producing larger amounts of hard-to-recycle waste each week. **Get in touch for further info.**
